FESTIVE MENUS

Our Festive Menu will be available from 26th November to 24th December, alongside our regular à la carte menu and specials.

For parties of up to 20 guests, individual guests may choose between the Festive Menu or our regular à la carte menu. However, courses cannot be mixed between the two menus.

For parties of more than 20 guests, the whole party will be required to dine from the same menu. Specials can still be enjoyed when dining from the à la carte menu.

We're very happy to accommodate dietary requirements and allergies, including Halal options, so please let us know when booking.

Children under 12 are welcome to dine from our children's menu, which includes a children's roast turkey dinner.

Our full menus can be viewed at www.riccisplace.co.uk.

PRE-ORDERS

For Christmas bookings of 8 or more guests, food choices must be submitted in advance using our pre-order form and return it to: info@riccisplace.co.uk

Final pre-orders must be received by 19th November. For bookings made after this date, we kindly ask that pre-orders are submitted at least 7 days before your visit.

As Christmas is an exceptionally busy period for our kitchen, we're unable to make changes to pre-orders after this deadline, other than adjustments to the overall number of guests. Any changes to party numbers require a minimum of 24 hours' notice.

BILLS & PAYMENT

We provide one itemised bill per booking and are unable to split bills for parties.

A discretionary 10% service charge will be added to bills for parties of 8 or more.

We accept debit cards, credit cards and cash.

YOUR RESERVATION

For parties of 5 or more, a credit/debit card is required to complete authentication and secure your reservation.

Our cancellation policy, detailed below, will apply.

Christmas bookings are generally allocated a 1.5 to 2-hour dining period, which will be stated on your booking confirmation.

For parties of more than 15 guests, we may be able to offer additional time depending on the evening. If you would like to discuss extending your booking, please contact our team and we'll do our very best to accommodate you.

If your reservation begins after 7:30pm, your table will be yours for the remainder of the evening until closing.

To help us provide the best possible service, we kindly ask that everyone arrives on time. Please note that pre-ordered food cannot be held for guests arriving late.

As Ricci's Place is a small restaurant, we unfortunately don't have a dedicated waiting area, so we may not be able to accommodate guests who arrive significantly before their reservation.

If your party arrives more than 15 minutes late without contacting us, your table may be released.

We'll always do our best to accommodate seating requests, although specific tables or areas of the restaurant cannot be guaranteed.

CANCELLATION POLICY

We understand that plans can change, particularly during the busy festive season. However, as a small independent restaurant, every Christmas reservation is important to us, and we kindly ask for as much notice as possible if your plans change.

- 24 hours' notice is required to cancel your reservation or reduce your party size.
- Cancellations or reductions made with less than 24 hours' notice will incur a £20 per person cancellation fee.
- Guests who do not attend their reservation without prior notice will be charged for their pre-ordered meals in full.
- For bookings of 5 or more, any applicable cancellation charges may be charged to the nominated card or added to your bill.
- Our team will contact the main guest in the days leading up to your booking to confirm attendance. Please ensure we have a telephone number on which you can be reached. If we are unable to confirm your booking, your table may be released.
